

2050  
GARDEN  
WINDOW

# 2050 Vinyl Garden Window

The 2050 Series Garden Window opens any space in your home to provide a **beautiful setting ideal for plants, collectibles, and other decor.** Our garden window is the perfect touch to complete a kitchen, bath, or den makeover, remodeling project, or new home. The fully screened twin-sealing side vents open to a full 90 degrees, allowing for ventilation while the multi-point locking system keeps out the cold and provides a tight seal for added security.

## PERFORMANCE FEATURES

- Fully welded PVC vinyl frame provides long-term durability
- Aluminum and steel reinforcements in the front mullion improve structural performance
- Vents and deadlites have a built-in weep system for optimal water drainage
- Fiberglass screens allow for airflow while keeping pests out
- Engineered for new construction and remodeling applications

Fully welded  
vinyl frame
