

188

SINGLE-SLIDER

188 Aluminum Single-Slider Window

Designed specifically with coastal regions in mind, the 180 aluminum window line combines **precision and reliability** for homes in storm-prone areas. The 188 single-slider has high DP ratings and is available with the StormArmor™ impact-resistant package, making it the ideal single-slider window for new construction projects in any location.

PERFORMANCE FEATURES

- Dual-pane insulated glass helps maintain constant interior temperatures year-round
- Warm-edge spacer system maximizes energy efficiency and improves seal performance of insulated glass units
- Sweep lock system at meeting rail helps maintain the home's security
- Interlocking sashes help reduce air infiltration

Designed smarter, from the inside out

ENGINEERED TO PERFORM

- 2" frame depth
- 5/8" insulated glass
- Fin and 1/2" (Florida) flange frames available
- StormArmor package includes impact-resistant glass with HP low-E, argon, and preserve film to protect the glass until installation is complete
(available on 2-lite configuration only)

CONVENIENCE & STYLE

The 188 features the following details on every window:

- Slim aluminum frame design
- Exterior glazing

SAFETY & SECURITY FEATURES

- Durable, aluminum construction results in high DP ratings
- Sweep locks create a stronger, safer seal
- Impact-resistant glass ideal for coastal applications
- Optional tempered glass is four times stronger than non-tempered glass and safer if broken
- Optional obscure glass allows light in while protecting privacy

SIZING

MINIMUM & MAXIMUM *(available in 1/8" increments)*

- 23 3/4"-73" wide x 11"-62 3/4" high

ENERGY-EFFICIENT GLASS PACKAGES

Our **dual-pane** insulated glass package options help save on heating and cooling costs while enhancing home comfort

- **In cool weather**, insulated glass provides outstanding thermal performance to keep interior glass surfaces closer to room temperature, eliminating cold spots near windows
- **In warm weather**, it helps reduce solar heat gain and minimize glare to improve interior comfort

GLAZING TYPE	U-VALUE	SHGC	STC
HP Low-E glass	0.56	0.24	28
HP Low-E glass with grids	0.58	0.22	28
Argon and HP Low-E glass	0.51	0.24	28
Argon and HP Low-E glass with grids	0.53	0.22	28
Impact-resistant laminated glass with Argon and LoE ³ -366	0.60	0.24	n/a
Impact-resistant laminated glass with Argon and LoE ³ -366 with grids	0.64	0.22	n/a
Impact-resistant laminated glass with Argon and LoE ³ -340	0.60	0.17	n/a
Impact-resistant laminated glass with Argon and LoE ³ -340 with grids	0.64	0.16	n/a

Note: all values based on standard 3/8" dual-pane IGU unless noted otherwise

OUR MISSION

Getting It Right Every Time

We build each of our products the same way we built our company: with integrity and precision. Every MI window and door is handcrafted in the United States using state-of-the-art manufacturing techniques, and is backed by vigorous in-house testing procedures. We are 100% committed to offering the styles, value, and performance you're after.
