The EC150 single-hung window combines traditional style with unparalleled energy efficiency and performance. Additional features that include an internal sloped weep system, tri-fin weatherstripping and integral lift rails make our EC150 window the ideal solution for any new home construction or renovation and replacement project.

PERFORMANCE FEATURES

- Warm-edge spacer system maximizes energy efficiency and improves seal performance of insulated glass units
- Welded, multi-chambered frame and sash for superior strength and energy-efficiency
- Tri-fin weatherstripping for enhanced thermal performance
- Dual-compression bulb seals for protection against wind, rain, dust, and noise
- Internal sloped weep system optimizes water drainage
ENGINEERED TO PERFORM
- 3 1/4" frame depth
- 3/4" dual-pane insulated glass
- 5 frame styles
  - 1 3/8" fin, 1 3/8" stucco fin, 1" fin, 1 3/4" flush fin, finless

SAFETY & SECURITY FEATURES
- Recessed cam locks create a tighter, safer seal
- Optional tempered glass is four times stronger than non-tempered glass and safer if broken
- Optional specialty glass allows light in while protecting privacy
- Optional Window Operating Control Device (WOC) restricts sash opening and reduces the risk of accidental falls

ENERGY-EFFICIENT FEATURES
- Our dual-pane insulated glass package options help save on heating and cooling costs while enhancing home comfort
- In cool weather, it provides outstanding thermal performance to keep interior glass surfaces closer to room temperature, eliminating cold spots near windows
- In warm weather, insulated glass reduces solar heat gain and minimizes interior glare
- Able to meet ENERGY STAR® requirements in all four climate zones

CONVENIENCE & STYLE
The EC150 features the following design details on every window:
- Integral lift rails
- Block-and tackle-balance
- Metal-reinforced meeting rail
- Interlock at center rail

SIZING
MINIMUM & MAXIMUM (available in 1/8" increments)
- Single-Hung
  - 11 1/8"–48" wide x 22 7/8"–96" high
- Twin Single-Hung (CHS)
  - 35 1/8"–96" wide x 23 1/8"–72" high

GRID PATTERNS
Colonial 9-Lite 6-Lite Drop

VINYL/EXTRUDED COLORS
