

COVID-19 Protocols

We are committed to providing a safe and healthy workplace for both our team members and the visitors that frequent our facilities.

Please follow the CDC guidelines outlined below when inside this facility.

MAKE SURE TO:

- Wash your hands often with soap and water for at least 20 seconds, especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick
- Put distance between yourself and other people
- Avoid shaking hands
- Stay home if you are sick, except to get medical care
- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow

Our Priority is the Health and Safety of You and Our Team

* We also ask that, if at any point, you unfortunately find yourself diagnosed with COVID-19 that you communicate with us so we can take appropriate precautions to minimize the impact to our team and our facility.
