

MITM
FOUNDATION

Mission:

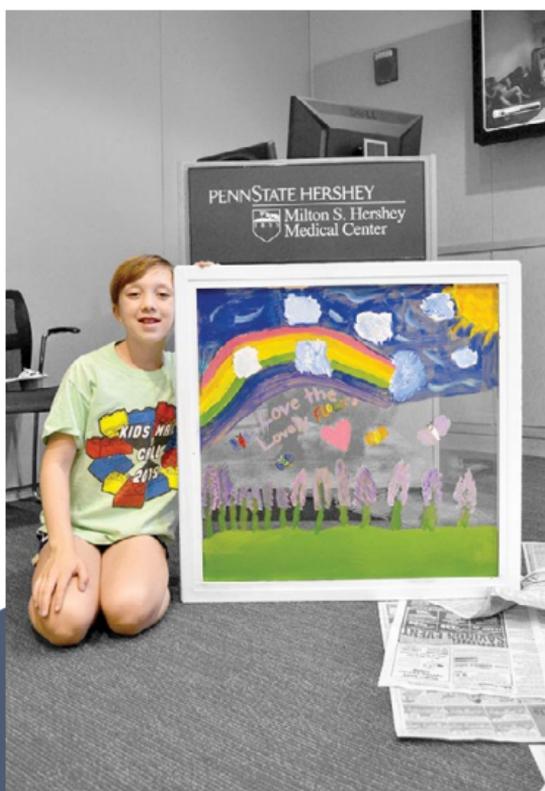

Advancing communities by providing windows of opportunity for a better tomorrow.

BORN IN 2015

from the care and compassion of our team, the MI Charitable Foundation was created to formalize the support of our communities and the causes we're close to. The outreach committees at our six physical locations are empowered to plan and engage in fundraising and volunteer events they are passionate about, and the result has been rapid growth that continues to humble and inspire us.

In addition to local giving, we've partnered with three national organizations to support two causes that are dear to our hearts: conquering childhood cancer and providing homes for wounded veterans.

The MI Foundation is more than financial support—it's a group of people helping others in any way we can. With compassion at our core, we know our social responsibility is as important as the care we put into every window we make, and we're dedicated to continually impacting our communities and the causes that drive us.

“ It started with small gestures and quiet favors from one person to another, and grassroots giving efforts that helped support our people in times of need. ”

ABOUT OUR LOCAL OUTREACH

PENNSYLVANIA · TEXAS · ARIZONA

Outreach Committees at each of MI's locations research, plan, and execute fundraising initiatives and events to benefit their communities. Each group is granted funds to utilize throughout the course of a year to complete projects and benefit local organizations.

3 NATIONAL BENEFICIARIES ▶

FOUR DIAMONDS

— Conquering Childhood Cancer —

Founded in 1972 in memory of Christopher Millard, the Four Diamonds Fund provides funding to pediatric cancer patients at Penn State Hershey Children's Hospital, ensuring that no family, regardless of their financial standing, will receive a bill.

Homes For Our Troops build

Discoveries made at St. Jude have completely changed how the world treats children with cancer and other catastrophic diseases. With research and patient care under one roof, St. Jude is where some of today's most gifted researchers work toward a cure.

Homes for Our Troops builds specially adapted, mortgage-free homes for severely injured post 9/11 Veterans. These homes help restore the freedom and independence our Veterans sacrificed while defending our country, and enable them to focus on their family, recovery, and rebuilding their lives.
