**MI Windows to discontinue EC 180 double-hung**  
February 2020

**To: MI Sales Representatives, Dealers, Distributors, and Installers:**

In an effort to streamline our offerings from our Prescott Valley facility and to better utilize floor space, MI Windows will discontinue production of our EnergyCore 180 double-hung. The last day to order this product will be Friday, March 27.

In regard to warranty issues, the main frame of the 180 will be available for two weeks after elimination, and the replacement sash will be available for six months after elimination. After that, warranty obligations will be met by furnishing replacement glass and comparable parts where feasible.

Please contact your territory sales representative or regional manager for more information, or visit [www.miwindows.com](http://www.miwindows.com).

Sincerely,

A handwritten signature in black ink that reads "Joshua J. Williard".

Josh Williard  
*Director of Products*
