MI Windows and Doors Acquires Sunrise Windows & Doors

(GRATZ, PA) – MI Windows and Doors, a leading manufacturer of precision-built vinyl, aluminum, and fiberglass windows and sliding patio doors, recently finalized the acquisition of Temperance, Michigan-based vinyl replacement window manufacturer Sunrise Windows & Doors. The acquisition aligns with MI’s strategy to expand its presence in currently underserved channels and end markets.

“Sunrise has a strong reputation among premier replacement window dealers throughout the eastern United States – an ideal complement to our existing market presence,” said MI CEO Matt DeSoto. “More importantly, MI and Sunrise share a passionate culture where people, performance, and satisfaction come first. I’m excited to welcome the Sunrise team into our owner-operated business with family-first values.”

Carl Will, Sunrise President and CEO said, “We are excited to become part of the MI family. Our shared vision of the importance and attractiveness of the dealer-direct channel creates meaningful opportunities for continued investment and growth for Sunrise.”

This is the second time in just over a year that MI has acquired an industry-leading window business, having acquired Tacoma, Washington-based Milgard Windows & Doors in November in 2019.
