

TEAM MEMBER SPOTLIGHT

CHRIS
KOPERNA

GRATZ · Safety Manager · 24 years at MI

What do you like about working at MI Windows?

I enjoy working with this great team and trying to help them do their jobs a little easier and safer. Day in and day out, they are the reason we can meet our customer demands with a quality product.

How do you think you've contributed to MI's success through the years?

Helped build team members into team leaders and eventually step into supervisor roles with good leadership skills. Helped create a safety culture mindset among the MI team, which keeps them working safely and returning to their families.

How has the company changed since you started?

We have implemented several policies and procedures, which focused on safety and quality. This helped our team build a quality product while maintaining a safe environment.

What have you gained through your time at MI, career-wise or personally?

I have gained the ability to help, train, coach, and relate to individuals. This helps me understand and trust the team, to be sure I help them in any way that I can. Personally, I truly enjoy helping and listening to team members.

What would you say to someone who's considering a career with MI?

MI Windows and Doors offers you the chance to make a good living and ability to support your family, while working and making some great friends.

What are your interest or hobbies outside of work?

I enjoy spending time with my children and anything involving the outdoors.

Who is the smartest person you know?

My father, because everything he told me as a child that I didn't ever think was possible, has now come true.

Looking forward, what do you think your future holds, with MI or otherwise?

I hope to continue on my current path and continue to keep our team thinking and working safely.

How do you think your personal values, interests, or hobbies impact your work at MI?

I hope that I have a tremendous impact on our team, as we all have the right to safe and healthy workplace and I want everyone to go home safely to their loved ones.
