

# Product Colors

MI Windows and Doors provides a variety of color options to complement the interior or exterior design of nearly any home.

## Extrusions

Solid vinyl extrusions offer traditional color inside and out for windows and doors that are timeless, durable, and attractive. MI offers three extruded colors, providing options for any home.

### INTERIOR & EXTERIOR

White

Almond

Clay

## Laminates

Available for both interior and exterior applications, laminates offer homeowners a satisfying solution when looking for a unique style while still achieving the benefits of a vinyl product. After the profiles are extruded, the laminate finish is applied by a series of precision rollers and blades.

### INTERIOR ONLY

Colonial  
Cherry

Natural  
Oak

Hillside  
Oak

### EXTERIOR ONLY

Bronze

Black

Color availability varies by product. Refer to product data sheets or ask your sales representative for additional details.

# Painted Exteriors

Choose from eight distinctive colors, available on products for replacement and new construction projects. The environmentally friendly, water-based coatings meet EPA requirements, provide outstanding coverage and durability, and offer long-term performance and beauty.

Each color-coated window is available with matching grids and screens to ensure a consistent and cohesive finish. With the additional option of laminated woodgrain interiors, our exterior finishes provide expansive design possibilities able to complement the style of any home.

## A UNIQUE UPGRADE FOR VINYL WINDOWS

- Improved curb appeal
- Available on double-hung, single-hung, double-slider, single-slider, casement, awning, picture windows, and sliding glass doors

## STATE-OF-THE-ART TECHNOLOGY

- Oven-baked application ensures the paint will maintain color and flexibility
  - Prevents cracking, fading, peeling, or blistering
  - Resists abrasion from impact
- Heat-reflective pigments minimize heat gain on the frame and other window components
