WHY WE'RE THE RIGHT CHOICE.

MI offers beautiful, worry-free windows and patio doors to frame each of life's little moments. Our exacting manufacturing processes and the innovations we develop mean you get reliable windows and doors that perform year after year. With MI, you'll receive a level of service and quality others simply can't match, backed with an industry-leading warranty.

100

Framing home in a new light

The path to perfect windows and doors has never been more clear. From tranquil mornings to lively family dinners, MI Windows and Doors seamlessly connects you to what matters most: windows and doors that frame life's most meaningful moments.

As a trusted brand for more than half a century, MI offers products that promise long-lasting comfort, protection, and exceptional quality day after day, year after year.

EXPERIENCE IS EVERYTHING

Our experts match you with attractive, reliable windows and patio doors that best fit your home, your needs, and your price point.

CONFIDENCE TO CREATE

We deliver the highest-quality windows and patio doors through our passion for craftsmanship and a relentless pursuit of 100%.

EVERY DETAIL, EVERY DAY

From robust testing and precision manufacturing processes to the innovations we develop for your comfort, every detail matters.

AX4500 Stacking Doors

Enhance your home's contemporary look with our AX4500 stacking Moving Glass Walls system. This patio door's panels stack on top of each other when open, giving your home a modern look while merging your interior and exterior spaces. Featuring a sturdy aluminum frame and numerous energy-efficient features, the AX4500 is a sliding patio door built for the 21st century.

AX4500 Pocket Doors

Bring the outside in with the AX4500 pocket Moving Glass Walls system. This thoroughly modern sliding patio door disappears into a pocket in the wall when fully open, creating a space that's ideal for entertaining or just relaxing on the patio. Plus, the AX4500 pocket door's aesthetic features perfectly complement its durable aluminum frame.
