

V3000

Multi-slide patio door

MODEL 1618

Opening up to 17 feet wide, the V3000 multi-slide patio door is the ideal solution to effortlessly blend interior and exterior spaces for new home construction, remodeling, or renovation projects. Numerous aesthetic options including decorative hardware and multiple interior and exterior color choices are available.

What you can expect

ENERGY EFFICIENCY

Our dual- and triple-pane insulated glass package options help save on heating and cooling costs while enhancing home comfort.

- In cool weather, it provides outstanding thermal performance to eliminate cold spots near windows.
- In warm weather, insulated glass reduces solar heat gain and minimizes interior glare.

CONVENIENCE AND STYLE

- Saddle sill with heavy-duty dual tandem nylon rollers provide for smooth, effortless operation
- Raised rail protects wheels from debris
- Aluminum track is sturdy and easy to clean
- Panel interlock helps reduce air infiltration
- Insulated double-strength tempered glass adds strength and dependability
- Dual-point mortised lock for enhanced safety
- Optional foot lock, security bar, and exterior key lock increases peace-of-mind and convenience

Engineered to perform

- Available frame styles: finless, fin
- 6 7/8" frame depth
- Optional StormArmor™ package on XIX configurations
- Optional DP-50 package on select configurations

Energy efficient glass

Able to meet ENERGY STAR® requirements in all four climate zones. Optional tempered glass adds additional strength and obscure or rain glass allows light in while protecting privacy.
