V3000 Garden window

MODEL 2050

Boasting adjustable glass shelves that create an ideal setting for plants or collectibles, our V3000 garden window frees up precious counter space and exudes aesthetic charm. Its welded PVC vinyl frame provides long-term durability, and the fully screened side vents open a full 90 degrees to maximize airflow while keeping pests out.

What you can expect

ENERGY-EFFICIENCY

Our dual-pane insulated glass helps save on heating and cooling costs while enhancing home comfort.

- In cool weather, it provides outstanding thermal performance to eliminate cold spots near windows.
- In warm weather, insulated glass reduces solar heat gain and minimizes interior glare.

CONVENIENCE AND STYLE

- Fully welded PVC vinyl frame provides long-term durability
- Aluminum and steel reinforcements in the front mullion improve structural performance
- Vents and deadlites have a built-in weep system for optimal water drainage
- FlexScreen™ allows for maximum airflow while keeping pests out
- Inside front-mounted multi-point locks and operators ensure safety and security
- Engineered for new construction and remodeling applications

Engineered to perform

- Shipped completely assembled and ready to install
- 1" insulated glass unit with dual-pane clear glass
- Top-sloped insulated tempered glass (constant 35° pitch)
- 1 1/4" exterior grade plywood head board, seat board, and jamb
- Available with adjustable glass shelves and finely-crafted edge banding and knee brace trim
- Optional Low-E and argon for increased thermal performance
