

Vanguard® Series V4550 Double-Slider

SUNRISE COLLECTION™

Considering a horizontal slider window for your next renovation project? If so, we suggest the Vanguard® Series V4550 vinyl double horizontal slider. Built for durability, aesthetics, and energy efficiency, the V4550 will bring a new level of performance to your home while also adding curb appeal. And thanks to its narrow profiles, you'll enjoy enhanced views to the outside.

What you can expect

MAXIMUM VIEWS

Due to the window's narrow profiles, the V4550 double-slider provides greater viewing space on the glass without sacrificing performance.

- Whether your home looks out onto an amazing natural landscape or a beautiful downtown scene, this greater glass space delivers tremendous views to the outside
- The window's added glass space ushers more natural light into your home's interior

CONVENIENCE AND STYLE

- FiberCore™ fiberglass-reinforced meeting rail helps provide added strength and efficiency
- Both sashes move for easy cleaning and maintenance
- Full UltraCore™ polyurethane frame insulation provides added comfort
- Dual brass rollers featuring a stainless steel axle enable a worry-free performance
- Multiple energy-efficient options enhance window's thermal rating
- Available in several exterior frame colors

Engineered to perform

- Welded, multi-chamber frame and sash
- Available frame styles: nail fin, finless
- Optional OptiView™ Clarity mesh screen allows fresh air in while providing particle protection
- Product has passed rigorous testing for water penetration, air leakage, structural integrity, and forced entry
