

Restorations® Series V5500 Sliding Patio Door

SUNRISE COLLECTION™

Our Restorations® Series V5500 sliding patio door will give your home curb appeal while ushering ample amounts of natural light into your space. Featuring narrow profiles – allowing greater viewing space – a sleek appearance, and several color options, the Restorations® Series V5500 sliding patio door has numerous aesthetic qualities. And thanks to its twin tandem rollers, it slides along the track with minimal effort.

What you can expect

DURABILITY

Built for longevity, the Restorations® Series V5500 sliding patio door has the durability and strength that's essential for the 21st century.

- FiberCore™ fiberglass reinforcement delivers added strength and durability
- The galvanized steel lock stile reinforcement increases the door's structural strength

CONVENIENCE AND STYLE

- Concealed three-point locking system improves security
- Narrow profiles enhances viewing area
- Top hung screen enables easy operation
- Several exterior frame colors available
- Hardware finish colors include nickel, brass, and bronze
- Multiple energy-efficient options enhance door's thermal rating

Engineered to perform

- Available frame styles: nail fin, finless
- FiberCore™ fiberglass reinforcements enhance structural strength
- Options for Low-E glass coatings and argon gas help achieve ENERGY STAR® rating
- Steel-reinforced lock stile
- Product has passed rigorous testing for water penetration, air leakage, structural integrity, and forced entry
